

SPACE: CLIPSTON ENDOWED PRIMARY SCHOOL – REMODELLING & EXTENSION

CLIENT: Clipston Endowed Primary School

LOCATION: Clipston, Leicestershire

SERVICES: Architecture

“Working with a listed building, caring for its history.”

When we carried out the planning and implementation of our work at the Clipston School we were very careful to show all due respect for its listed status, but at the same time the school desperately needed remodelling for modern use.

The new extension and remodelling works incorporated a single-storey link between the principle two-storey school structure and the later single-storey brick building behind – creating a hard-working educational space.
