North Lincolnshire

**SERVICES:** Architecture

**“Another major project for Q Hotels... and this time we were expanding.”**

As the name suggests this four star Hotel and Country Club is set in a beautiful pine forest and JWA were appointed to assist in a significant expansion of their facilities.

75 new standard and executive bedrooms were added (including pre-fabricated and designed bathroom pods), a 20,000 sq.ft. Conference and Function Centre, new Golf Club Restaurant, Bar and changing rooms along with general refurbishment of existing Hotel Restaurant, Leisure and back of house facilities.

All of the works had to be carefully phased to respect the existing mature landscape and ensure that all of the existing Golf and Hotel facilities remained operational during the construction works.

Following on from the success of the original project, JWA have also been appointed to look at expanding the Leisure Club facilities to include a new Dance Studio and Fitness Suite.
