

SPACE: WARNER LEISURE HOTELS – REFURBISHMENTS

CLIENT: Bourne Holidays Ltd

LOCATION: Various, UK

SERVICES: Interior Design

“Our ongoing work involves a great deal of highly individual treatments.”

JWA are providing interior design and FF&E co-ordination services for a number of Warner Leisure Hotels. These historic buildings include Alvaston Hall, Bembridge Coast, Holme Lacy House, Littlecote House, Nidd Hall, Sinah Warren and Thoresby Hall.

Some of the work we’ve already completed involved creating a new bedroom design concept for the Signature and Ambassador rooms. We carefully produced a limited selection of finishes and textiles which enabled the room designs to be adapted to suit the style and mood of each Warner Leisure Hotel.

We have also provided bespoke designs for Royal/Historic rooms. These are bedrooms unique to each individual property and may incorporate four poster beds, luxury spas, suites or rooms with distinct architectural heritage.

Many of the public areas are currently undergoing refurbishment involving bespoke designs to compliment each property’s unique architectural character.
